Dear PRCS Families,

You might have heard our Superintendent's message this morning and I want to reiterate Mr. Beutner's message.

Mr. Beutner shared that because of the dangerously high level of COVID-19 in the Los Angeles area, LAUSD school facilities will close starting this Thursday, December 10<sup>th</sup>.

- PRCS Main Office will be closed starting Thursday, December 9 and will remain closed until the end of the semester which ends on December 18<sup>th</sup>. The new semester will resume on January 11<sup>th</sup>.
- December Grab n Go that was scheduled for next week will be canceled until further notice.
- PRCS staff will work to transition in person assessment for Special Education into virtual setting.
- If you need technology support, you can still email us or call LAUSD Tech hotline at 213-241-5200 or LAUSD hotline at 213-443-1300.
- LAUSD Grab N Go Food Centers and COVID-19 testing sites will remain open.

These changes at schools will remain in effect until the next school semester, which begins on January 11<sup>th</sup>. We will continue to evaluate the situation and provide updated information along the way.

Thank you for your continued support and please stay safe everyone.

Sincerely,

*Avak Demirjic, Principal*
