Conveniently located on campus, we ensure kids are safe, nurtured and supported before and after the school bell rings. Open during school vacations, early dismissal days and most holidays, count on us for your child to learn, laugh and have loads of fun!

Before and Afterschool Programs are open for enrollment.

Conveniently located on campus, we ensure kids are safe, nurtured and supported before and after the school bell rings. Open during school vacations, early dismissal days and most holidays, count on us for your child to learn, laugh and have loads of fun!

The following programs are NOT sponsored by the Los Angeles Unified School District—these services are provided by an outside agency and may require fees.
Program Philosophy and Core Values
YMCA Afterschool programs strive to provide a safe, secure and supportive environment that gives families peace of mind when you can’t be there yourself.

- We believe that a child’s experience is dependent on family life and community life – YMCA programs strive to support the entire family with a variety of programming and character-based curriculum.
- We believe in focusing on your child’s abilities rather than their shortcomings.
- We believe that when youth are exposed to consistent displays of positive character traits, they will develop a healthy self-esteem and a willingness to help others.
- We believe that by supporting your local school, your child will experience success. Our programs offer a holistic approach to your child’s development by offering activities that strengthen, expand and provide real-life context to information learned in the classroom.
- We believe that building strong kids and strong families will strengthen the foundation of our communities.

Character Counts
The Y is proud to be a member of the CHARACTER COUNTS!® Coalition. All programs offered by the North Valley Family YMCA focus on building character through the Coalition’s “Six Pillars of Character”: Trustworthiness, Respect, Responsibility, Fairness, Caring & Citizenship.

Healthy Eating & Physical Activity Standards
In response to a call by First Lady Michelle Obama and the Partnership for a Healthier America (PHA), the Y has committed to adopting new standards for nutrition and physical activity for the more than 700,000 kids in our early childhood and afterschool programs.

Enrichment & Curriculum
Our daily curriculum is infused with enriching opportunities to peak every child’s interest and expose them to new learning and experiences. From fine arts to STEM, physical activities and nutrition, leadership and hands-on activities, every day provides a robust platter of enrichment.

Educational Enrichment
Skills that kids learn during their school day are reinforced through a variety of fun, hands-on classes in an effort to help children gain a better understanding of each concept. These classes were created in conjunction with the California State Standards for children.

Recreation Enrichment
With the decline of physical activity in schools, Recreation Enrichments are essential to giving children the opportunity to learn new sports and sports-related skills while at the same time working on gross motor development, self-esteem and team building.

Fine Arts Enrichment
Fostering students’ abilities to develop problem solving skills, flexibility, creativity, cooperative approaches, persistence, and responsibility as well as oral and written language skills. Our Fine Arts Enrichment classes nurture the artistic abilities of all children. Whether it be through visual or performing arts, we encourage children to participate in a variety of arts exploration in the hopes that they will find the best way to express themselves.

All Program Locations (this flyer applies to PRC5 only):
Beckford, Calahan, Castlebay, Darby, Dearborn, El Oro Way, Germain, Granada, GHC K-8, Harding, Haskell, Knollwood, Porter Ranch Community School, Superior, Van Gogh. We also offer Club-Based Enrichment Afterschool Programs at Topeka & Porter Middle School.
