A message from PORTER RANCH SCHOOL

Good afternoon Porter Ranch parents this is Ms. Melvin with an important announcement. We had an incident at school today involving three previous Porter Ranch students who are now in high school. They decided to play an inappropriate prank on our elementary school students. Mr. Demirjie took the situation very seriously and called the school police. The students were apprehended by the police and their parents were contacted immediately. We take situations like this very seriously at Porter Ranch Community School. We are currently working with the police at our local district to ensure that this does not occur again and that these students understand how dangerous and inappropriate their actions were. Thank you as always for your support.
