Followed by an Election Meeting for GSC and ELAC on Thursday, September 23rd at 5:00 PM via Zoom. Please be sure your child is practicing good use of social media. The latest concerning trend on TikTok has been the “school bathroom challenge”. Vandalism will not be tolerated and is placing undue stress on our school staff who work diligently to ensure our campus is clean and safe. Speak with your child about respecting our school property and making good decisions. Check out [Common Sense Media](https://www.common sense media.org/social-media) for tips on responsible social media for kids at <https://www.common sense media.org/social-media> The items that have been damaged throughout the school bathrooms in the district, may be difficult to replace and may take some time.

Traffic Safety Message from LAPD: Please do not illegally park and especially double park to let your child/ren exit for drop off or enter the vehicle for pick up from an unsafe location. Students may exit or enter the vehicle curbside only. We have had dangerous situations that can be avoided by following all traffic laws. Jaywalking in the street is unlawful without regard for approaching traffic and we ask that parents be patient and mindful of safety for our students and families. Please use the crosswalk on Sesnon and Rinaldi.

During the school drop off or pick-up carline, please be mindful of our surrounding communities and do not block any gated entrance or exits. The Avila Community is having a difficult time entering or exiting their community at the Mason Avenue Gate. Please do not block Tamarron Lane and be patient while we get all students to our families safely each day.

Dr. Jose Hernandez: Soaring to New Heights

About

Astronaut Jose Hernandez will take us on a journey not only to space but also his journey in life. He will talk about the challenges he faced as part of a migrant farm working family and the path he chose to become a member of the 19th class of NASA astronauts.

Included in his story are the values, with respect to work ethic and education, instilled by his parents who themselves only have a 3rd-grade education. Jose talks about a recipe for success given by his father when as a 10-year-old and after seeing the Apollo 17 mission to the moon, he shared his newfound dream of one day becoming a NASA astronaut.

His life story will soon be featured in the upcoming NETFLIX movie, "A Million Miles Away".

Streaming live on the library's YouTube channel and Facebook page.

Those attending the virtual program will have an opportunity to win a free signed book by Dr. Hernandez.

HOW TO WEAR A MASK

To get the best protection, make sure your mask fits well

- It should completely cover your nose and mouth.
- It should fit snugly against your nose, the sides of your face and under your chin, without gaps.

Do:

- Choose a mask made with two or more layers of tightly woven, breathable material.

Don't:

- Wear masks with a valve.
- Use a bandana or scarf as a mask.
- Use a face shield in place of a mask.

For more information, visit: ph.lacounty.gov/masks

2/19/21

HOW TO MAKE YOUR MASK FIT BETTER

Use a mask with nose wires

Double Mask: Wear a cloth mask over a disposable mask

Knott and Tuck: Knot the ear loops at the edge of the mask and tuck the extra material

Use a mask with a filter

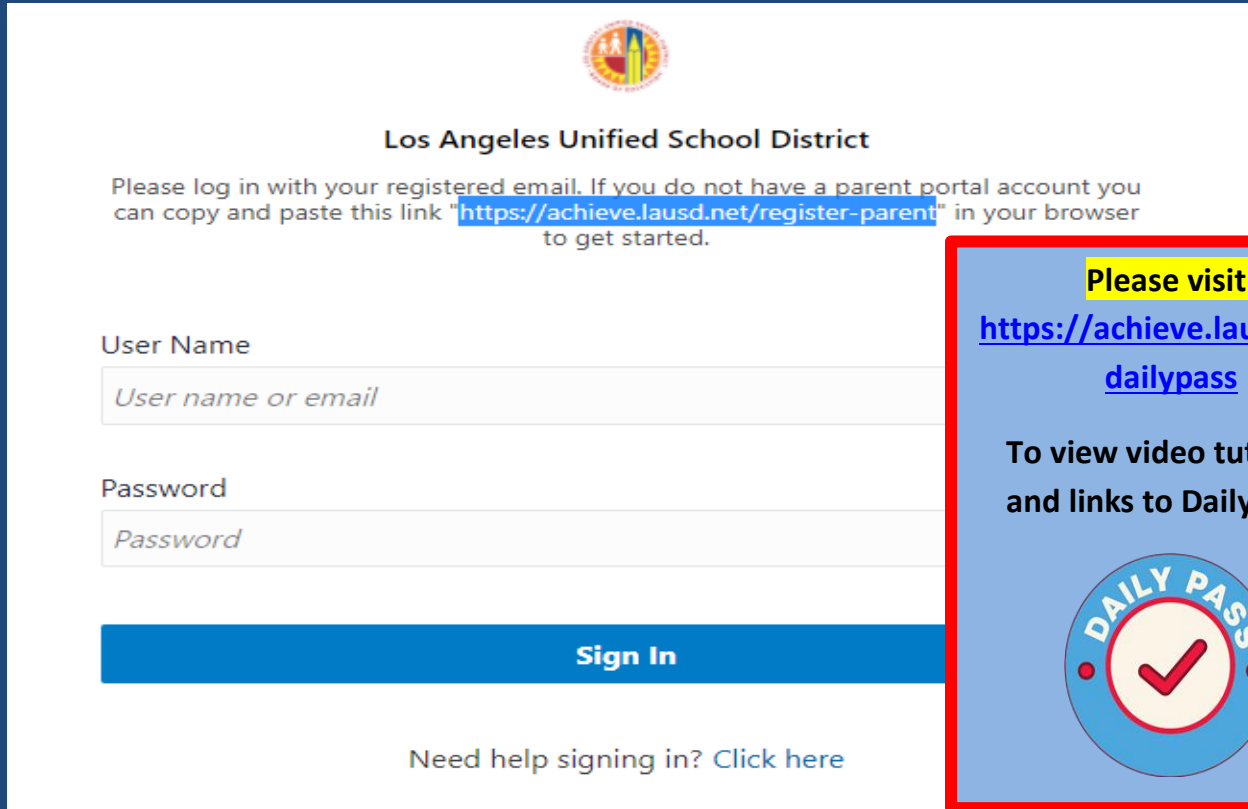

COVID SAFETY: Please have a conversation with your child/ren about the safety of wearing a mask properly. Students may remove their mask during nutrition and lunch while at the table to eat or drink. Mask must be worn properly for the remainder of the school day, including during recess, lunch and physical activities and PE for middle school.

Covid-19 Testing will continue with the LAUSD Mobile Unit on campus weekly on Mondays and Tuesdays. If you would like to have your child Covid-19 tested on campus, students will need a Covid-19 Testing Consent. Parents can give consent on the Dailypass ([see instruction](#)) or to print, [Click HERE for Consent Form](#). Once the Covid-19 test consent is given, the school site is responsible for testing students. If you are having your child/ren tested at an outside testing agency, test results must be uploaded to dailypass.lausd.net weekly to keep Dailypass current to be on campus. This week, LAUSD Testing Unit will not be on campus. If you would like to test your child for COVID, Northridge Middle School and West Valley Occupational Center will be open on Tuesday, September 7th, from 9 am to 7 pm. On campus testing will resume September 13th and 14th.

The COVID-19 School Report Card dashboard provides daily updates on the reopening status and COVID-19 testing results for the staff and students participating in-person instruction on our campus. All personal names and information will remain confidential. Please go to <https://achieve.lausd.net/covidreportcard> for the most current COVID-19 cases.

Also included in the site is your child's attendance, access to grades and assignments, and access to update emergency contact information to name a few. To open an account visit <https://achieve.lausd.net/Page/10470>. The webpage includes information about the Parent Portal and resources to help you practice its use. Make sure to click on the "Log In/Register" button which will take you to the official log in page. If you do not have an account click on "Register for an account." The page will ask for your name and email. Once you register an email will be sent to you where you will be asked to establish a password. This account is solely for your use. Your spouse/partner must open their own account to access student information.
