

Interested in ART?

Would you like to help
PRCS child artists and teachers?

If the answer is YES,
become a
Meet the Masters Art Docent!

Attend a training session with Patti Rosen in room 4 on
Wednesday, October 26 at 3:00pm. You will create art and learn
how to teach a Meet the Masters lesson.

If you volunteer, we will work around your schedule. Teachers will
sign-up to have you either teach a lesson in their class or support
them as they teach the art lesson.

Our goal is to train and organize a team of ART DOCENTS who
go into classrooms and spread the joy of art!
