**What is Crayola® Imagine Arts Academy?**

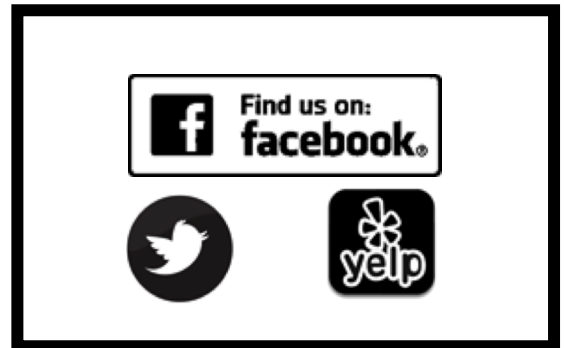

Brought to you by the creators of Mad Science of Los Angeles and Crayola®, Imagine Arts Academy conducts educational, entertaining and hands-on art and design activities for elementary age children. Our approach is simple. We use exciting activities and creative thinking projects to capture the attention and imagination of children. Our goal is to inspire children to dream big, with unique art experiences that broaden their horizons. We supply all of the materials and equipment used in the courses we offer.

**How big are the classes?**

We believe in quality over quantity! Classes will typically have 12-20 students.

**Attendance**

Attendance is the responsibility of the parent. Please write the dates of the classes on your calendar and remind your child to attend class! If your child is not old enough to go to and from class on their own, please consider waiting to enroll them until next year.

**What if my child misses a session?**

All of our class topics are independent of each other. If your child misses a class, it will not affect their progress in the After School Program. There is no prorating or refunds for missed classes.

**Classroom Attire**

Imagine Arts Academy is an ART program. Students will be using a variety of Crayola® products throughout the duration of the after school session. As with any art activity, there is a risk of getting messy. Please keep this in mind and have your students prepare and dress accordingly. Stain removal tips can be found on Crayola's website: <http://www.crayola.com/stain-tips/>

**Student Conduct**

We strive to provide a fun and safe learning environment at all times. If a child needs to be removed from class due to unsafe or disruptive behavior, no refunds will be granted.

**Please note program dates and times on your calendar.**

**When you enroll in an Imagine Arts Academy after-school program you agree to release the school, and the School District from all liability. You also agree that your child will adhere to the classroom policies established at the first meeting.**
