

Mrs. Jo's 5th Grade Class Schedule

Distance Learning
2020-2021

DISTANCE LEARNING SCHEDULE

Distance Learning will include a combination of both Synchronous and asynchronous instruction. We will start school promptly at 9:00 AM and end at 2:15 PM. Please be sure to sign in to our daily Zoom meeting before each block to ensure that you are not late. Attendance will be taken every day. 😊

Synchronous instruction is when students are engaged in learning at the same time using technology with the teacher in real-time.

Asynchronous instruction is when learning is done by students in their own time or schedule.

Our class schedules might change as we receive schedule updates.
