# Math Night

## About Math Nights:

PRC PTA and Mathnasium of Granada Hills have partnered to bring the PRCS community an evening of unplugged fun with games and prizes. This interactive event will have students practicing their analytical and math skills in an engaging way, while demonstrating that practicing math at home can be fun!

What to expect:

+	Games	-	Prizes
×	Food for sale	÷	Music
=	Bake Sale	%	Photo Opps

## About Mathnasium of Granada Hills:

Mathnasium is a math-only learning center that provides much more than math tutoring. Our program is highly customized so each individual student gets what they need and more! We help students who struggle in math understand what they are learning and get ahead. We also help students who excel in math stay motivated and prepared for a STEM career. Mathnasium of Granada Hills is located in the city of Granada Hills on Chatsworth Street near Zelzah Ave.

The National PTA does not endorse any commercial entity, product, or service. No endorsement implied.
