

Dear Parents,

Thank you for your order of Square 1 Artwork!

By now, most of your orders should have gone home with your children. If you have not received your order by the end of the week, please contact me and I will look into the matter.

You are still able to order your children's artwork online with proceeds still going to our school, but you will have to pay for shipping and the orders will be shipped directly to your home instead of the school.

Thank you again for your support. We hope you and your loved ones enjoy the beautiful and unique gifts created by your child!
