

Dear Parents,

We hope you enjoy the free stickers of your child's artwork provided by Square 1 Art. We ask that you take the time to review the catalog of items you can purchase with your child's personalized artwork. 35% of all purchases will come back to PRC PTA!

Please consider purchasing items for your friends and family. All products will arrive the first week of December in time for the holidays. This is a great way to support the school and receive a keepsake of your child's beautiful artwork.

All orders must be placed online with the unique access code from the catalog no later than **November 9, 2016**.

If you have any questions, please feel free to email Charlene Oh at charlene.kim@gmail.com.

Thank you again for your support to PRCS!!
