Important Message from Ms. Melvin

Hello PRCS Families! I hope that you all are enjoying your summer. I wanted to share with you that I have been selected as a Director for Local District Northwest. I will be stepping out of the principal position but will always have a special place in my heart for the school we created together as a community. I have had the honor and privilege to work with your children for the last 7 years. I have watched them grow from kindergartners to middle school adolescents with pride and joy. I have worked with so many of you as well as you volunteer countless hours to help make PRCS outstanding! I will miss all of their smiling faces, but I know that they are all in good hands as our staff and teachers are exemplary and will continue on all of the good work that they do each and every day.

We are working hard to be ready for your return in August! The principal position opening will be announced this week. We will work as a school community to select the next leader of PRCS who will continue to support and guide our amazing school.
