The first grade teachers will purchase the students' back to school supplies on your behalf to be reimbursed. This will minimize the hassle of buying and returning wrong items and keep the cost minimal. The cost will be $20.00 per student. Please turn in the money to your child’s teacher by Friday, August 17. In addition, each student must bring a backpack (no wheels) and wear sneakers to school every day. Students need to wear shoes with Velcro until they learn how to tie shoelaces.
