

Mark your calendars for the STEM EXPO
New dates! **Week of February 19 – 22!**

We will have science and engineering activities and events happening that week and kicking off with a

Family Evening Event

On Friday, February 15TH at 6pm

Come and see the stars and planets at PRCS

Dinner and refreshments will be available for sale that evening. Come and enjoy the fun!

Are you a scientist or engineer? We would love to have you speak at our careers in science event. Please email Amy Muckenthaler at aaattiyah@gmail.com

Other fun things to look forward to during STEM week:

STEM project showcase

STEM themed presentations

Skydome and Telescope exploration

MARS Rover is coming to PRCS
