Astronomy Night

At PRCS

FREE

Rain or Shine

6pm — 8pm Friday 2/15/19

Pizza and snacks will be available for sale!

Take your child on a journey through the universe from the comfort and security of your own school. Our portable, inflatable planetarium will be in the MPR. Families will enter the dome and be introduced to a "star-filled" sky. Our navigator with the use of a digital planetarium projector, will guide our guests through the stars of the Northern Hemisphere exactly as they appear on the day of the presentation.
