Frequently Asked Questions

- We believe in quality over quantity! Classes will typically have 12-24 students.
- Preschool classes will have 10-15 children.
- Class topics subject to change without notice.
- Attendance is the responsibility of the parent. Please write the dates of the classes on your calendar and remind your child to attend class! If your child is not old enough to go to and from Mad Science on his or her own, please consider waiting to enroll them until next year
- **What if my child misses a session?** All of our class topics are independent of each other. If your child misses a class, it will not affect their progress in the After School Program. There are no prorates or refunds for missed classes

Student Conduct in Mad Science

Mad Science strives to provide a fun and safe learning environment at all times. If a child needs to be removed from class due to unsafe or disruptive behavior, no refunds will be granted.

What is Mad Science?

Mad Science of Los Angeles conducts educational, entertaining and hands-on science, engineering and technology activities for preschool and elementary age children. Our approach is simple. We use exciting activities and spectacular demonstrations to capture the attention and imagination of children. Once captivated by the presentation, we introduce a series of awesome experiments and activities in which the children can participate. Our Mad Science, BRIOLOGY and MISSION:CODE programs are educational and FUN! We supply all of the materials and equipment used in the courses we offer.

Please note program dates and times on your calendar!

Completing the registration enrolls your child in the Mad Science program. You agree to release the school and the School District from all liability. You also agree that your child will adhere to the classroom policies established at the first meeting.
